## STATEMENT OF OBJECTS AND REASONS

As Scheduled Castes and Scheduled Tribes had not been notified in relation to the Union territory of Goa, Daman and Diu when the Government of Union Territories Act, 1963, was enacted, no provision was made in that Act for reservation of seats for the Scheduled Castes and Scheduled Tribes in the Legislative Assembly of that Union territory. Scheduled Castes and Scheduled Tribes in relation to that Union territory were notified in 1968 and the population figures of these castes and tribes became available after the 1971 census. The Bill, therefore, seeks to amend the Government of Union Territories Act, 1963 to provide for the reservation of seats for the Scheduled Castes and Scheduled Tribes in the Legislative Assembly of the Union territory of Goa, Daman and Diu and to empower the Election Commission to determine the number of seats to be so reserved and the constituencies in which those seats shall be reserved. Opportunity is also being availed of to delete the provision for reservation for Scheduled Tribes in the Legislative Assembly of the Union territory of Pondicherry since no such tribes have been notified in relation to that Union territory.

NEW DELHI;

K. BRAHMANANDA REDDI.

*The 21st May, 19*

## FINANCIAL MEMORANDUM

By virtue of the amendment proposed in clause 3 of the Bill, the Election Commission has to publish its proposals for the determination of constituencies in which seats shall be reserved for the Scheduled Castes and the Scheduled Tribes for inviting objections and suggestions in relation to those proposals. It may be necessary for the Election Commission to hold its sittings in the Union territory of Goa, Daman and Diu, to consider the objections and suggestions received from the public in regard to its proposals. A non-recurring expenditure of not more than Rs. 5,000 is likely to be incurred on the travelling allowance, daily allowance, etc., of the officers of the Commission who visit the Union territory for the purpose.

2. The Bill will not involve any other expenditure either recurring or non-recurring.
